## Ugradbena pećnica BO-606FAHTM X

Još moćnija, pećnica s 6 programa dovest će svako jelo do savršenstva! Osim klasičnog programa zagrijavanja gornjeg te donjeg grijača tu je i "Grill" funkcija pećenja uz pomoć ventilatora s uključenim samo donjim grijačem ili oba grijača. Uz pećnicu dolazi duboka posuda za pećenje kao i rešetka za pećnicu. Lakšim čišćenju pećnice pridonijeti će poseban program namijenjen čišćenju parom.
